1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I have been a customer of Duke Energy for many, many years.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

With my wife and I now on fixed incomes and disabled each increase in rates become more of a burden on us and so many other Carolinians in the same boat. An on top of this the Federal Government seems determined to find a way to end so many of the programs that so many older Americans must rely on to survive.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)

Getting about daily and traveling is not as easy as it seems for older folks. We have to decline jury duty these days though it once was something I enjoyed doing as a civic duty.
We would have to decline for health reasons.
